PSA.FRP:01/2022 DATED 11/01/2022**

SNo	PSA	Query	Response of Bank
1.	M/s Firstman Management Services (P) Ltd	TDS mentioned in the tender is only 2%. Wherein 2% IT TDS & 2% GST TDS a total of 4% would be applicable and that is what is being practiced in other regions of the Bank.	Query Accepted. Amendment being issued
2.	M/s Firstman Management Services (P) Ltd	As per pg 56 of the tender document a matrix is being mentioned. We wish to request your good office to consider scoring based on pan india contracts and not confining to the state of Kerala. Since there are some constraints if only Kerala is considered. For example in Pt 1. D it is asked for Armed guard firing training infrastructure. This could be provided only by the Government and Govt of Kerala does not issue any gun license, hence this may not be applicable in the state of Kerala.	The Terms & Conditions specified in the tender will stand as such.
3.	M/s Firstman Management Services (P) Ltd	Also minimum marks for eligibility is considered at 80%. While few other regions like Bengaluru are considering minimum marks of 60% for eligibility.	The Terms & Conditions specified in the tender will stand as such.
4.	M/s Firstman Management Services (P) Ltd	The rate followed is central minimum wages. Since in the state of Kerala Gun licenses are not issued and for that purpose only Ex-Servicemen could be deployed who get DGR rates. Hence we request your good office to provide DGR rates wherever Gunmen are being deployed	The Terms & Conditions specified in the tender will stand as such.
5.	M/s ABS Group	In the tender notice, it is stated that the PSA should have their own infrastructure for training their guards. We are not having own training center, well we have an existing MOU with a reputed training center located in Kochi. Is this acceptable to participate in this tender?	Query Accepted. Amendment being issued
